

## MS培养基（不含琼脂和蔗糖）

货号: AM8521

产品说明:

| <b>Components</b>                   | <b>Concentration (mg/L)</b> |
|-------------------------------------|-----------------------------|
| Potassium Nitrate                   | 1900                        |
| Ammonium Nitrate                    | 1650                        |
| Potassium Phosphate Monobasic       | 170                         |
| Magnesium Sulfate                   | 370                         |
| Calcium Chloride                    | 440                         |
| Potassium Iodide                    | 0.83                        |
| Boric Acid                          | 6.2                         |
| Manganese Sulfate                   | 22.3                        |
| Zinc Sulfate                        | 8.6                         |
| Sodium Molybdate                    | 0.25                        |
| Cupric Sulfate                      | 0.025                       |
| Cobalt Chloride • 6H <sub>2</sub> O | 0.025                       |
| Na <sub>2</sub> EDTA                | 37.3                        |
| Ferrous Sulfate                     | 27.8                        |
| Myo-Inositol                        | 100                         |
| Glycin                              | 2                           |
| Thiamine • HCl                      | 0.1                         |
| Pyridoxine • HCl                    | 0.5                         |
| Nicotinic Acid                      | 0.5                         |
