

## Product Specifications

### Compound Information

|                      |            |                    |                       |
|----------------------|------------|--------------------|-----------------------|
| Product Name: 多柔比星   |            |                    |                       |
| EN Name: Doxorubicin |            |                    |                       |
| Product No:          | A24360     | Molecular Fommula: | $C_{27}H_{29}NO_{11}$ |
| CAS:                 | 23214-92-8 | Molecular Weight:  | 543.53                |

### Quality Control Information

|            |                      |
|------------|----------------------|
| Test:      | Norm:                |
| Purity     | ≥97%                 |
| Appearance | Orange to red powder |
