

## Product Specifications

### Compound Information

|                                 |          |                    |                                    |   |
|---------------------------------|----------|--------------------|------------------------------------|---|
| Product Name:3-溴-4-氟苯胺          |          |                    |                                    |  |
| EN Name:3-Bromo-4-fluoroaniline |          |                    |                                    |   |
| Product No:                     | B17370   | Molecular Formula: | C <sub>6</sub> H <sub>4</sub> BrFN |   |
| CAS:                            | 656-64-4 | Molecular Weight:  | 190.01                             |   |

### Quality Control Information

|            |                       |
|------------|-----------------------|
| Test:      | Norm:                 |
| Appearance | White to yellow solid |
| Purity     | 98%                   |
| Structure  | Conforms to structure |

Shanghai Acmec Biochemical Technology Co.,Ltd
