

## Product Specifications

### Compound Information

|                                 |          |   |                                   |
|---------------------------------|----------|---|-----------------------------------|
| Product Name: 1-氯-4-碘苯          |          |  |                                   |
| EN Name: 1-Chloro-4-iodobenzene |          |   |                                   |
| Product No:                     | C51230   | Molecular Formula:  | C <sub>6</sub> H <sub>4</sub> ClI |
| CAS:                            | 637-87-6 | Molecular Weight:   | 238.45                            |

### Quality Control Information

|            |                       |
|------------|-----------------------|
| Test:      | Norm:                 |
| Appearance | White powder          |
| Purity     | 98%                   |
| Structure  | Conforms to structure |
