

## Product Specifications

### Compound Information

|                                    |          |   |        |
|------------------------------------|----------|---|--------|
| Product Name: 原儿茶醛                 |          |  |        |
| EN Name: 3,4-Dihydroxybenzaldehyde |          |   |        |
| Product No:                        | D48420   |   |        |
| CAS:                               | 139-85-5 | Molecular Weight:   | 138.12 |

### Quality Control Information

|            |                                      |
|------------|--------------------------------------|
| Test:      | Norm:                                |
| Appearance | Light grey to yellow to brown powder |
| Purity     | ≥98%                                 |
