

## Product Specifications

### Compound Information

|                             |            |                    |        |   |
|-----------------------------|------------|--------------------|--------|---|
| Product Name:8-羟基久洛尼定       |            |                    |        |  |
| EN Name:8-Hydroxyjulolidine |            |                    |        |   |
| Product No:                 | H10580     | Molecular Fommula: | C H NO |   |
| CAS:                        | 41175-50-2 | Molecular Weight:  | 189.25 |   |

### Quality Control Information

|            |                              |
|------------|------------------------------|
| Test:      | Norm:                        |
| Appearance | Yellow or light yellow solid |
| Purity     | 95%                          |
