

## Product Specifications

### Compound Information

|                          |            |              |  |                    |         |
|--------------------------|------------|--------------|--|--------------------|---------|
| Product Name: 氧化铱        |            | $O = Ir = O$ |  |                    |         |
| EN Name: Iridium dioxide |            |              |  |                    |         |
| Product No:              | 128740     |              |  | Molecular Formula: | $IrO_2$ |
| CAS:                     | 12030-49-8 |              |  | Molecular Weight:  | 224.22  |

### Quality Control Information

|            |                            |
|------------|----------------------------|
| Test:      | Norm:                      |
| Appearance | Brown to black solid       |
| Purity     | 99.9%metals basis,Ir≥84.5% |
