

## Product Specifications

### Compound Information

|                                  |           |                   |                                   |   |
|----------------------------------|-----------|-------------------|-----------------------------------|---|
| Product Name: (S)-2-氨基-3-甲基丁-1-醇 |           |                   |                                   |  |
| EN Name: L-Valinol               |           |                   |                                   |   |
| Product No:                      | L60020    | Molecular Fommla: | C <sub>5</sub> H <sub>13</sub> NO |   |
| CAS:                             | 2026-48-4 | Molecular Weight: | 103.16                            |   |

### Quality Control Information

|                       |                          |
|-----------------------|--------------------------|
| Test:                 | Norm:                    |
| Appearance            | White to off-white solid |
| Purity                | 97%                      |
| Water By Karl Fischer |                          |
| Optical Rotation      |                          |
| Structure             | Conforms to structure    |
